

MYRES CASTLE  
AUCHTERMUCHTY SCOTLAND

## SOMETHING OLD....

Nestled in the Kingdom of Fife the castle dating from 1530, is steeped in Scottish history and Kings and Queens have enjoyed its hospitality over the centuries. Myres is surrounded by 44 acres of private grounds, with a stunning Vatican-styled walled garden, roses, a maze, a woodland trail, Highland cows and a small lake.

At Myres the welcome is warm, the facilities luxurious and as a Scottish venue, it is unrivalled. Our weddings are all totally individual and the Castle will feel like yours for the duration of your stay. There are no rigid 'packages' here, no strangers or intrusions – just discrete unobtrusive service allowing you to have the day of your dreams. We have chosen not to host too many weddings, so the uniqueness is never lost.

There are 10 luxurious double bedrooms with en suite bathrooms in the Castle and a very special Gate Lodge sleeping up to 4 people. We provide a choice of six superb caterers to create your perfect wedding menu.

# SOMETHING NEW....

Each wedding feels like something new for all of us at Myres. We only do a handful of weddings every year, so we get excited too! This allows us to give you our absolute attention and makes planning your special day such fun. We can help co-ordinate your wedding plans and recommend excellent local suppliers – from florists to cake makers and photographers to pipers.

We decide we wanted to create something different. A magical party space at the bottom of our beautiful walled garden. We didn't want an ordinary marquee – we were looking for something more rustic, more fitting, more special, so we came up with the “Barnquee” – completely unique – utterly wonderful. It has locally sourced Larch trunks holding up the canvas structure. There is a re-claimed wooden floor and rustic bar, an ancient stone wall & sides that can roll up – giving a real outside – inside feel. We have the charming Applestore, catering tent, luxury loos, outside wood fired pizza oven providing what is repeatedly called the ‘most special party place’.

# SOMETHING BORROWED....

Myres Castle.

We pride ourselves on the highest standards of comfort, impeccable, discreet service and the personal attention to detail that allows you and your guests to enjoy the relaxed atmosphere in this truly exceptional family home. Beauty is in the detail and we love every detail!

We would like you and your family to feel as though you have 'borrowed' this incredible place so that you can invite your closest friends to help celebrate the most special day of your lives. We hope that for the duration of your stay, you can really feel like the castle and it's grounds are yours and enjoy a completely unique experience.

# SOMETHING BLUE....

The irises, the bluebells, the delphiniums and agapanthus... all a wonderful vision of blue!

The garden at Myres is an important part of the magic and it has been lovingly tended by Matthew the gardener for the past 25 years! At anytime of the year there is something spectacular to look at – the symmetrical winter topiary, the sea of daffodils in the Spring, the cherry blossom and rhododendrons, our famous blue irises and of course the intoxicating roses all summer. We work with a number of local florists and we are also aiming to increase the stock of flowers that can be used by our brides.

# LET'S CELEBRATE

Myres has a license for Civil & Religious Ceremonies to take place in the Applestore. Alternatively, you can get married surrounded by the scent of roses, in the romantic setting of the Vatican Garden, or on the majestic front lawn overlooking the Castle. We can even provide a tented canopy to protect you and your guests from the elements.

For larger weddings, for up to 150 guests, we have a wonderful new woodland wedding venue, which is fully equipped with everything you need for a great wedding celebration.

We encourage couples and their families to take the castle for two nights – arriving on the Friday evening, unpacking those special clothes, enjoying some Fizz and eating informally together in the Dining Room, relaxing the night before your wedding surrounded by those you love. The next morning there will be a delicious breakfast laid out for you to help yourselves from when you feel like it. The bride can now have all day to pamper herself and get ready. We can recommend masseurs, beauticians, hairdressers, in fact anything you need to make the most of this day.

*'Many thanks for making our wedding celebrations the time of our life with friends in the best place in the world.'*

Emmanuel & Magda Ehny Havion
